**Voices of Grief, Honoring the Sacred Journey**
This documentary is a masterful weaving of stories and poignant insights by leading authors, poets, psychologists and spiritual teachers. The film also includes wisdom from grief experts Marianne Williamson, leading grief author and grief facilitator Paula D’Arcy, Melanie DeMore, and more.

**The Magic of Melanie DeMore**
Melanie DeMore is featured in the film. She will sing for & with us at the event, and will be part of the discussion after the film.

Nothing is closer to Melanie DeMore’s heart than bringing people together to experience the healing power of music.

She has shared the stage with Odetta, Ani DiFranco and Pete Seger.

Melanie DeMore’s singing is thrilling. This is not a voice that comes along everyday. This is woman power wrapped in velvet.
